Hi,

Attached is the review from Jan, just a couple of edits. She recommends we send draft to RD today. Michael – can you clean this up and send to RD today?

Thanks,
Amy

Just a few grammatical suggestions in the attachment. I have a couple of questions though.

Ex. 5 Deliberative Process (DP)

Also, since the RD team has to work over the holidays to get this done, it may be prudent to send to RD this morning and let them know our folks are off for the rest of month so they may wish to look at this today in case they have any questions for us.

To be clear, RD is looking for our complete analyses for this chemical. Do we anticipate completing all of it – **Ex. 5 DP**
Ex. 5 Deliberative Process (DP) – by the end of the week?

I'm sorry I did not get back to you sooner. Michael and I are preparing a 1-page memo that we are anticipating sending a draft to RD end of this week.
